E3 TILE

CONTENT

e3 Felt Faced 100% PET (up to 80% recycled content)
e3 Solid Core 100% PET

DESIGNER

Unika Vaev Design Studio

DIMENSIONS

Small Parallelograms 8.75" x 7.5" x 0.47" or 0.53"
Hexagon formed 17.5" x 15.15" x 0.47" or 0.53"
Medium Parallelograms 17.5" x 15.15" x 0.47" or 0.53"
Hexagon formed 35" x 30.5" x 0.47" or 0.53"
Large Parallelograms 26.25" x 22.73" x 0.47" or 0.53"
Hexagon formed 52.5" x 45.45" x 0.47" or 0.53"

FLAMMABILITY

ASTM E84 Class A
CAN ULCS102

APPLICATION

Ceiling, Vertical Surfaces

ACOUSTIC

NRC- 0.50 or 0.40
(see following page for graphs)

SOLD IN

Small Box sets of (15) total parallelograms
Medium Box sets of (6) total parallelograms
Large Box sets of (6) total parallelograms

DESCRIPTION

Unika Vaev's e3 self-sticking hexagon tile teases your geometric temptations. Each polyester hexagon tile is sectioned into three parallelograms that are either 0.47" or 0.53" thick and which may be applied on almost any wall substrate. e3 kits of parallelogram tiles are available in a choice of three different sizes and either 34 color-ways (felt faced), or 15 color-ways (solid core) to provide an endless array of design solutions. Let M.C. Escher be your guide!

Designed for the environment: The felt faced e3 Tile is produced with over 80% recycled PET and the Solid Core e3 Tile is produced with 100% PET. Both versions of the e3 Tile can be recycled.

- HHI Compliant
- Global Greentag
- Low-VOC
- HPD
- ISO 14001-certified Environmental Management System
- Solid Core Panels used to produce e3 Tiles are Cradle to Cradle - Bronze certified

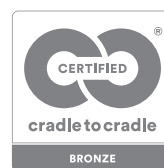

Low VOC + Greentag Level A Certification: Both versions of the e3 Tiles are certified Low-VOC and Greentag Level A Certified.

Green Star: The felt faced e3 Tile is Greentag Level A Certified and can achieve maximum Green star points.

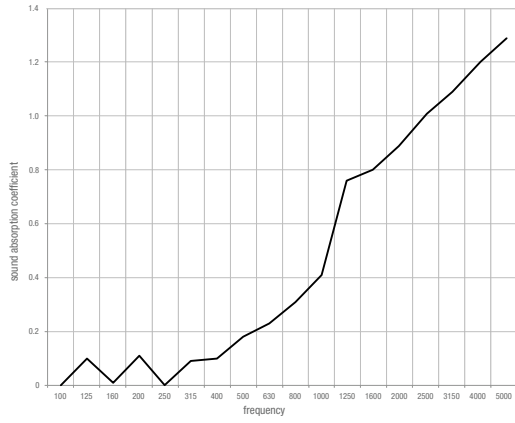

Leed: Felt faced e3 Tile 80% post consumer content contributes to LEED MR Credit 4 Recycled Content.

Improved Sound Absorption: e3 Tile is ideal for high frequency absorption and achieves an NRC rating of 0.50 for the felt faced, and a 0.40 for the solid core when directly fixed to a wall.

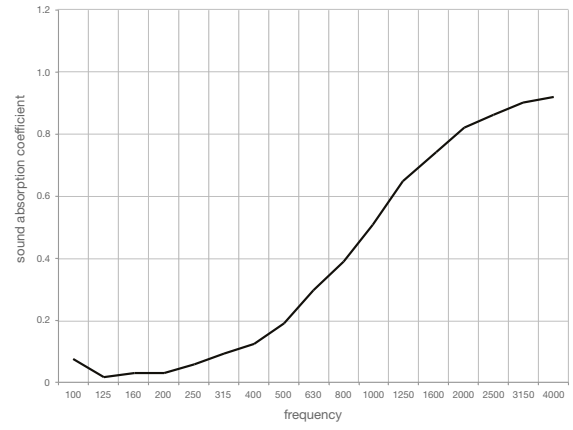

Please Note: e3 Tiles may have a natural thickness variance and also slight color variance from tile to tile.

E3 Tile Dimensions 3-in-1

Felt Faced e3 Tile (0.53" thickness)

Solid Core e3 Tile (0.47" thickness)
