  - .47” Tile- NRC 0.85 (8” air gap)
  - .53” Tile- NRC 0.85 (16” air gap)
  - .94” Tile- NRC 0.95 (8” air gap)
  - .98” Tile- NRC 0.90 (16” air gap)

**DESCRIPTION**
- ecoustic® Ceiling Flats are highly functional, decorative ceiling tiles designed to fit into new and existing grid systems.

**IMPORTANT**

**Drop Ceiling Specification:** ecoustic® Ceiling Flats are designed to be compatible with 15mm and 24mm Exposed Tee grid systems. Ensure the tile is suitable for your selected system prior to ordering.

**Moisture Absorption:** Exposure to an atmosphere of 50% and 95% RH for four days provides moisture absorption of less than 0.2% per volume. As ecoustic® Ceiling Flats is 100% polyester, it will not degrade over time due to moisture, mildew or rot in office environments.

**Fixtures:** Any fixtures must be supported independent to the ecoustic® Ceiling Flats tile. The tiles can be cut on site to accommodate for new and existing lighting and fixtures. When cutting use a new blade for each cut and ensure the area to be cut is fully supported throughout. Cut from the tile face with care.

**HVAC:** Ensure ecoustic® Ceiling Flats are compliant with the specified HVAC system. ecoustic® Ceiling Flats are recommended for Ducted Return Air and is not Plenum Return Air rated.

**Back Loading:** ecoustic® Ceiling Flats are not suitable for back loading. Loads must be supported independently by the grid or through the use of additional fixtures.

**Toxicity:** Polyester is non-toxic and is classed the same as wood under the State of New York Article 15 Part 1120. ecoustic® Ceiling Flats do not contain any Red List Chemicals (USA EPA).

**Low-VOC + Eco Label Certification:** Designed for the environment, ecoustic® Ceiling Flats .53” + .98” are based on low energy manufacturing and made from up to 80% post-consumer and post-industrial recycled content. ecoustic® Ceiling Flats .53” + .98” are Greentag Level A certified and ecoustic® Ceiling Flats .35”, .47” + .94” are Oeko-Tex certified. ecoustic® Ceiling Flats have been designed for disassembly, with all components able to be fixed without the use of glues and adhesives. ecoustic® Ceiling Flats are recyclable.
